Facial Treatments (Exclusively By Sothys)

European Facials (1 1/2 hours) \$75

This is definitely our most popular facial that we personalize to your individual skin type. This fully comprehensive facial includes cleansing, exfoliation, extraction, massage and a mask. Also includes a hand massage.

Secrets de Sothys Facials (1 1/2 hours) \$145

This luxurious facial stimulates the senses while deeply hydrating the skin. A combination of detoxifying, re-surfacing, firming, and aromatherapy, makes this facial perfect for any regime, before a special event, or just an escape. Also includes a hand massage.

Teen Facials (1 hour) / (1 1/2 hours) \$65 / \$75

With this facial, we spend our time focusing on the deep cleaning and extractions required for young and changing skin. Our main goal is to remove as many impurities (blackheads and whiteheads) as possible.

Glycolic Treatment (45 minutes) \$50

This is a 15% professional glycolic peel. This service is most effective for those clients with pigmentation, acne and for minimizing the appearance of fine lines. This service can be done on its own or it can be added to our European Facial for an additional \$30.00.

Active Contour Eye Treatment (30 minutes) \$40

This treats the eye area to a gentle exfoliation and massage alleviating any puffiness and tightening the delicate skin of the eye contour. This service can be done on its own or it can be added to our European Facial for an additional \$20.00.

Electrolysis
